Established "SKG-5R STATEMENT" with the aim of realizing a sustainable society

Sekisui Kasei Co., Ltd. established the "SKG-5R STATEMENT", which declares its activities and goals aiming of realizing a sustainable society.

1. Background

In our medium-term management plan (Make Innovations Stage-II), we have set "Contribution to a sustainable society" as an important management issue. We have formulated "SKG-5R STATEMENT" to commit our goals and efforts to stakeholders including the global environment.

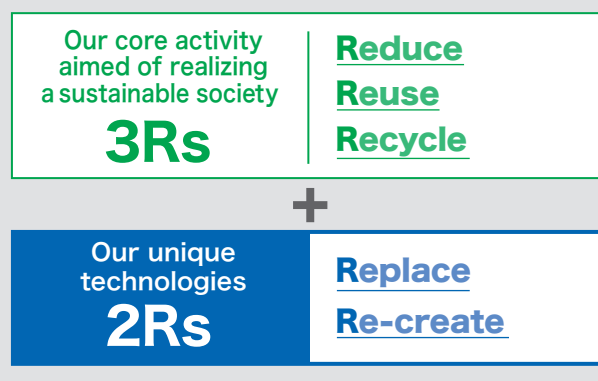

* "SKG" is an initialism for Sekisui Kasei Group.

SKG-5R STATEMENT booklet

2. Overview of "SKG-5R"

"SKG-5R" is our core activity aimed of realizing a sustainable society. It is a combination activity of 3Rs (Reduce, Reuse, Recycle) and 2Rs (Replace, Re-create) by our unique technologies.

3. "SKG-5R" target

We have set two goals to be achieved by 2030. We will promote the "SKG-5R" to achieve our goals and contribute to the Sustainable Development Goals (SDGs).

4. Toward to be an "Environmental Leading Company"

Through "SKG-5R", we aim of the realization for a sustainable society and become an "Environmental Leading Company". will show you the progress through our website or integrated report.
